

# Archwood Green Barns Farmers' Market

February 13, 2018

Dear Neighbor,

Archwood Green Barns Farmers' Market is celebrating 20 years of service. Launched in 1998 by 10 local tradesmen, the original horse barn and surrounding grounds are now potentially home to as many as 40 boutique farmers and artisans. The market offers a rich, historic gathering place where families connect with neighbors, foodies meet their farmers, and artisans showcase their crafts - all while supporting our local economy!

We are seeking sponsors for the 2018 season. Your support of \$250 will help assure the continuing success of the market, jump start youth activities and an educational series, music and entertainment, special events and marketing materials necessary to increase attendance.

Sponsors will have their logo displayed on our 20<sup>th</sup> anniversary banner that will proudly hang in the barn all season. You will be included in our weekly newsletter running 28 consecutive weeks. In addition, we have a growing social media presence through our website and the use of Instagram and Facebook.

Located at the Route 245 exit off 66 in The Plains, VA, Archwood Green Barns Farmer's Market hosts local families and weekend travelers on Sundays between 10am-3pm, May – October. Experience artisanal treats such as breads, pickles, kombucha, empanadas, goat cheese and hand crafted gifts including soaps, candles, infused olive oils, wood working, quilts and so much more. Regional farmers offer everything in season from produce to meats raised out on good green pastures, as nature intended.

Please consider helping us make our 20<sup>th</sup> year our best yet. Sponsorship support from local businesses that share our goal for a healthy, happy community provides a wonderful marketing opportunity and enhances the experience for our shoppers and the return on investment for our vendors.

See you at the market!

Sincerely,

Elizabeth Melson
